RE:STORE

Building Community Together

Community Handbook

Issue No.2 Winter 2023

Introduction

Seaton is a small but thriving community with a variety of clubs, societies, groups and events to cater for all ages and interests. There is a flourishing arts and music scene, numerous outdoor, leisure and fitness activities for all levels of fitness, along with a wide range of social groups catering for everyone from amateur horticulturalists to avid readers to crafters and conservationists.

This booklet is the first edition and as much as we have tried to feature all of the local community, voluntary groups and organisations we realise that we may have unintentionally excluded others. If this is the case, please feel free to contact us and we can add the group to the second edition.

Every effort is made to ensure accuracy of information in this handbook however some groups or organisations information is subject to change. Please contact for specific, current information relating to opening days and times.

Re:store Axe Valley CIC

Who We Are

Re:store is a Seaton based not for profit organisation supporting the local community to access and find help when needed.

If you want to visit us pop in to our community café at Seaton Hospital open Wednesday through to Saturday 9am - 5pm and open to community groups on Mondays and Tuesdays.

Volunteer

Volunteering can provide people with a new direction in life, opening up a range of activities and leading to increased self-esteem and self-confidence.

No matter how large or small your contribution is valuable and appreciated.

There are many ways to volunteer in the local community. Please contact us for more information.

Can We Help Your Group?

If you have a community scheme or initiative that you want to develop then please contact us as we might be able to help.

Seaton Town Council

Marshlands Centre, Harbour Rd, Seaton EX12 2LT

Tel: 01297 21388

Email: admin@seaton.gov.uk

Website: www.seaton.gov.uk

STC website offers comprehensive knowledge on the local council as well as community information and details of community groups. The what's on calendar – www.seaton.gov.uk/whats-on - has information on local events and activities which is provided by community groups and event organisers.

HELP & ADVICE?

We exist to help restore lives where they have been broken by bumps in the road in life. Providing and guiding people to help when it's needed, whether financial, tech, care or medical we are here to make the journey as smooth as possible.

**FOOD?**

Not having a good meal each day can leave you with a lack of energy, concentration and motivation. Knowing this we help signpost to the brilliant work of Seaton Foodbank, Save Food Hub, Project Food and the Seaton Community Fridge, whilst also fundraising to provide hampers to families and other immediate help.

**DEBT?**

Debt can be a barrier to moving forward in different aspects of life, we work with CAP Seaton and Citizen's Advice to give free help to escape the grips of debt.

COMMUNITY & RELATIONSHIP?

'Being lonely is the worst kind of poverty'. We know that this is true and have a number of ways in which we are trying to combat this, including groups, befriending, and a community café in Seaton Hospital – a space where you are always welcome!

**INSPIRATION & WELLBEING?**

We work with, organize, highlight and support local work which encourages creativity, exercise, outdoor activity and positive environments to help the community to flourish.

Please note many of the listed groups and organisations have several activities and sometimes across various local venues so please contact them directly or visit their website for more detailed information.

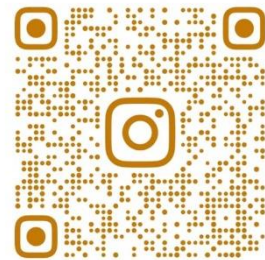

*You are not alone. If you need help please reach out to Re:store Axe Valley CIC
or one of the fantastic groups highlighted in this booklet.*

*We are a friendly community and there is likely to be someone who's gone
through the same thing and is willing to help navigate forward with you.*
